De Antonio D28 Open (2019)

¡Como nueva! No dejes de pasar esta oportunidad disponible y con remolque. Design and heritage.

The D28 follows the philosophy of his successful predecessors D23 and D33, gathering the best features of each model and completing the range of the brand.

Detalles

The D28 is a 7.99 meters length motorboat, with the possibility to add a half meter stern platform. The exterior design distinguishes by an imposing console in black finishes that provides elegance and sportiness in the wheelhouse. Moreover, the D28 includes a fully equipped bathroom. Maximum comfort, exceptional performance

The design of its V-shaped hull allows gliding quickly and developing a top speed up to 38 knots with maximum motorization, as well as highly comfortable navigation at cruising speed. Its generous beam and weight distribution provide wide habitability on deck. Also, it makes this boat very stable for anchoring. Discover the walk-around concept

The volumes layout allows a convenient peripheral circulation following the "walk-around" concept. The D28 has the entire deck at the same level offering different solarium areas with seats and tables both at bow and stern. The high level of space use is an incomparable feeling, with a maximum capacity of up to ten people, the D28 is the ideal day boat.
